Welcome to Akai.Observer

Let's start with Homepage

The first thing that you see when opening the website is this. However, as you can imagine, there are people that don't know how to navigate it. Yes, I am **indeed** talking about **you**.

<u>Let's begin</u>

46

What you see highlighted is the navigation buttons that direct you to

- 1. Homepage
- 2. Blog
- 3. Timetable
- 4. Database
- 5. Followers
- 6. Commissions
- 7. Info
- 8. Files

If you had not noticed it yet, you are capable of pressing them.

1. Homepage

Homepage is a compilation of 3 segments

• The welcoming part

WELCOME IN RED
ZONE
Here you'll found each and every move of Hawbhyu in all kinds of social medias he possesses. Don't forget to regularly check if any new updates will appear. The database expands itself practically everyday
Biog Database

• The tutorial part (both the photo and button being interactive)

Present	Instruction on how to advance through the Akai.observer with ease Tutorial watch
	watch

• The book containing part

WATTPAD STORIES

All the books that 've placed below this text have been created by PawDRyu, if you want to read them, feel free

Which,

	FVAET twisted Love To twy this?		
	People's Republic country, moving there with his family, creating Fredbear's Family Dinner pizzeria in		
	the late '70s with his friend Henry Emily.		
<	After years of fruitful partnership and success over all, tragedy strikes, the death of William's only daughter and youngest son: Elizabeth Afton and Cregory Afton, as well as the fatal car accident of his wife, Clara Afton. Broken down, falls into depression. He accidentally discovers substance, he names Remnent, seeing what effect the substance does have on the human body, not wanting to lose anyone else, becomes a murderer, kills five children	>	
	The son leaves him. Can't stand loneliness. Trying to release his anger, years later he decides to destroy everything related to his past, forgetting what it is that possesses these old costumes. By destroying them, he frees the trapped souls of his victims. In an attempt to escape, he goes to the Safe room and hide in his Spring Bonnie Animatronic costume. which turned out to be a mistake, paving with his life.		
	By consuming Remnent, his soul was trapped within his body. Since then, no more William, birth of Springtrap.		
	Remains unconscious for the next 10 years only to wake up to the sound of the approaching presence of Mangle, the main character of the book		ø

You can navigate thanks to those arrows

Mangle, the main character of the book	
Book wrote i	n Polish, translator recommended
Linktree Database	

And press the button to be directed to designated place where that books are stored

Mangle, the main character of the book		
Book wrote in Polish, translator recommended

$\overline{\mathbf{Q}}$		
Linktr.ee Database		

This button sends you to Microsoft Extension Store, where you can download an automatic page translator.

It's not 100% correct all the time but it's better than nothing

After downloading it, it will either immediately appear on your extension bar

Or you'll have to manually tell it to do so

Or at least you would have to do that if Chrome didn't add itself an option to automatically translate the website

Nevertheless, it's still helpful with marked word translations

☆) 🕐 0 Gy Ĺ ~ angielski Here you'll found each and every move of PawDRyu in all kinds of social medias he possesses. Don't forget to regularly check if any new updates will appear. 	In both the info part of the website and Linktree (Page 2), new link in accessable - Vgen		
	1 view 0 comments	Ø	_
	PewDRyu 2 days ago • 1 min read	÷	9

Which as the namesake tells, it shows you the posts that are tagged under those categories

You enter the post by clicking on it

- 3. That's all you need to know to navigate correctly through the website, and if you still have problems while knowing what already the navigation buttons are, it's not PawDRyu's problem
- 4. Be aware that not all the content is accessible to everyone. You must be the follower of the website to have all the access
